Did you forget about 2012 apocalypse? We don't.

Our new "apocalypse WOW " series. Boards with skulls are always cool.

Designed by [Lele Lutteri](#): Freelance Designer, Illustrator, graphic, stuffmaker of everything he finds stimulating and interesting.

LELE LUTTERI: "I love skulls, epic stuff and funny and incoherent graphics. Antiz has all the features that have allowed me to combine this things in a deck series. Rad!!".

Thanks LELE.

New catalog coming in hot...
